- Open the Google Play store or Apple App Store and search "BorrowBox"
- Click to download and then open the app.
- Where it asks for the library service type "Cumberland and Westmorland Library Service" - it will give examples of libraries in the county, it doesn't matter if you don't see your local library!
- Type in your Library Membership number where it says "ID/Barcode" and your Password where it says "Pin/Password"
- You will see a terms and conditions page, at the bottom you will see a black "Cancel" button and a green "Agree" button.
- If you are signing in for the first time you will be asked to give an email address, this is so Borrowbox can send automatic emails about when items are due back or available to download.
